## ABOUT THE COLLEGE

Govt. Degree College, Nirmand, is a co-educational institution established in the year 2016 to empower the young minds of one of the largest villages in Himachal Pradesh—Nirmand, through a culture of academic rigor, creativity and discipline. Since its inception vide notification No. EDN-A-KA(1)4/2012, dated 16th May 2016, of the Govt. of Himachal Pradesh, the institution has been functioning in the building of Govt. Primary School (Nirmand) and it offers two undergraduate programmes—Bachelor of Arts and Bachelor of Commerce. With its humble beginning, with strength of 40 students, the college today stands committed to foster a spirit of academic excellence and holistic growth among 182 students of the college. The dedicated teachers of the college adopt a personalized approach to engage with students to guide them on the path of critical thinking and effective communication.

The college primarily caters to the rural areas of Nirmand and is committed to making educational opportunities accessible to students across the socio-economic spectrum of the area with a commitment towards inclusivity. Nirmand, famously known as the Kashi of Himalayas, is located in district Kullu of Himachal Pradesh. This beautiful hamlet stands overlooking the Sutlej Valley and is about 163 km from Kullu district headquarter, 150 km from Shimla. The present campus of the college presents a majestic view of the mountains with thick forest and an azure sky. Within the campus, the students are welcomed by beautifully managed flower beds and fresh air. With such closeness to nature, the college offers an encouraging environment for the students to explore new ideas, critically engage with them and practically take them to the space outside the institution. In addition to the academics, students also get an opportunity to enrich their holistic personalities by embracing and revering the local cultural traditions of the area.

To make campus life dynamic for the students, the college has smart classrooms with Wi-Fi facility, a library, a canteen and a ground for sports activities. The students get an opportunity to engage in community work by joining NCC, NSS and clubs like Red Ribbon Club, Eco Club and Road Safety Club. The creative impulse of the students also gets a platform through the Ekatva Literary Society. Various activities are organized by these clubs, societies and units that provide students opportunities of wider interaction, leadership, group work and thinking outside the box. The college also has different committees which are dedicated to various aspects of administration, academics and holistic wellbeing of the students.

In today's competitive world, the institution constantly needs to learn, evolve and grow physically, academically and technologically. ## An Overview of the UGC-CBCS (Choice Based Credit System) Undergraduate Programmes:

The CBCS provides an opportunity for the students to choose courses from the prescribed courses comprising Core, Compulsory, Skill Enhancement and Elective Courses. The courses are evaluated by following a grading system. In order to bring uniformity in the evaluation system and computation of the Cumulative Grade Point Average (CGPA) based on student's performance in examinations, the UGC has formulated the guidelines to be followed.

### **Outline of Courses under Choice Based Credit System (CBCS):**

1. **Core Course:** A course, which should compulsorily be studied by a candidate as a core requirement is termed as Core Course.
2. **Elective Course:** Generally, a course which can be chosen from a pool of courses and which may be very specific or specialized or advanced or supportive to the discipline/subject of study or which provides an extended scope or which enables an exposure to some other discipline/subject/domain or nurtures the candidate's proficiency/skill is called an Elective Course.
  - 2.1 **Discipline Specific Elective (DSE) Course:** Elective course offered by the main discipline/subject of study is referred to as Discipline Specific Elective. The University/Institute may also offer discipline related Elective courses of Inter disciplinary nature (to be offered by main discipline/subject of study).
  - 2.2 **Dissertation/Project:** An elective course designed to acquire special/advanced knowledge, such as supplement study/support study to a project work, and a candidate studies such a course on his own with an advisory support by a teacher/faculty member is called dissertation/project.
  - 2.3 **Generic Elective (GE) Course:** An elective course which is other than discipline specific core course and is chosen generally from an unrelated discipline/subject, with an intention to seek exposure is called a Generic elective.
